Description

Ready to take the next step in your career?

Join a global company shaping the future with technology that drives lasting impact.

Hypertec is seeking a **Construction Project Manager** for mission-critical projects in **Nova Scotia**. If you are motivated, collaborative, and aligned with our values, we would love to hear from you.

We believe that how we work is just as important as what we build. Our values reflect the mindset we bring to everything we do:

- Innovation
- Trust
- Entrepreneurship
- Customer Focus

What You'll Be Contributing

- **Manage the full construction project lifecycle**, from initial project planning phases through completion of construction.
- **Meet with clients, architects, engineers, and other design personnel to establish project plans, budgets, and schedules.**
- Coordinate construction project resources and tracks project progress against established timelines and schedules.
- Ensure work is completed on time, within budget, and to specification.
- Act as a liaison between the client and project team members regarding changes or problems.
- **Select, negotiate with, and coordinate the work of vendors, contractors, or sub-contractors.**
- Responsible for material management and delivery scheduling tasks in support of assigned projects.
- **Track and report project progress** against milestones, budgetary guidelines, or other performance indicators and prepare and deliver reports to management.

What Sets You Apart

- Bachelor's degree and a **minimum of 4 years of commercial and industrial construction project planning experience.**
- Possess solid working **knowledge of current construction regulations and plan reading.**
- Ability to work independently and as part of a team.
- Strong English oral and written communication skills.
- Ability to build collaborative relationships.
- Strong negotiation skills.
- Proven customer orientation.
- Ability to identify and seek needed information.
- Exceptional project scheduling and project management skills.

What's In it For You:

- Comprehensive health benefits that ensure you and your family are covered for a wide range of medical needs.
- Health Spending Account (HSA).
- Employer-matched RRSP Program.
- Paid Floater Days.

-

Immerse Yourself in the Hypertec Journey:

You think you are the right candidate for this role? We can't wait to meet you! We look beyond the CV to discover real potential. Hit "Apply" and let's discover it together!

About Hypertec

Founded in 1984, Hypertec empowers innovators to push boundaries and lead their industries through transformative technology.
